### **Soaring Ahead: Carmina Burana with Aerial Dance**

Encore will take the sexiest choral piece ever written by a group of monks over the top with the addition of Jamie Corydon, aerial dancer, spinning through the air on spectacular hanging silks.

If you've not experienced the pounding, pulsing, visceral nature of this work, you are missing out. Encore will take it one step further by creating a visual display that we feel is unmatched in the city.

*Friday, March 13 • 8 pm & Saturday, March 14 • 8 pm • Shortridge High School School (formerly Shortridge Middle School), Caleb Mills Auditorium, Indianapolis*

### **With Heart and Breath: This is Why We Sing**

This year, in addition to presenting a program focused on cardio and pulmonary wellness, the foundation of both good singing and better living, the pieces themselves are chosen by the singers in the ensemble who voted on their favorite pieces to sing. Here's the good news...their favorites are most likely yours, too.
